

PATHWAYS TO LANDSCAPING CAREERS

PILOT PROGRAM

NATIONAL
ASSOCIATION OF
**LANDSCAPE
PROFESSIONALS**

**The
CorpsNetwork**
Strengthening America through
service and conservation

- The NALP's Industry Growth Initiative is excited to announce a partnership with The Corps Network, the National Association of Service and Conservation Corps. Corps are locally-based organizations that help young adults and post-9/11 veterans develop in-demand job skills through service projects, training, and experiential learning. The Corps Network has a membership of more than 130 Corps across the country.
- Our new pilot program, *Pathways to Landscaping Careers*, will provide an opportunity for lawn and landscape companies to hire young adults (generally ages 18 - 25) and veterans (up to age 35) for **internships** or **full-time employment**. Corpsmembers, many of whom have landscape experience, will be matched with companies in several metro areas throughout the US. Companies utilizing NALP's new [Landscape Management Apprenticeship Program](#) may choose to enroll qualified Corpsmembers in this program upon hire.
- These Corpsmembers will be actively supported by their Corps even after employment with a landscape contractor is secured, including mentoring, access to career and personal counseling, and workforce-related supportive services.

Pilot Cities

Fall 2019/Spring 2020:

- Atlanta, GA
- Austin, TX
- Baltimore, MD
- Denver, CO
- Gulfport, MS
- Los Angeles, CA
- New York, NY
- Philadelphia, PA
- Phillipsburg, NJ
- Sacramento, CA
- Saint Paul, MN
- Stockton, CA
