

Statement of Use of NALP Certification Designation Updated as of 9/2/2020

Individuals who earn the professional designation of Landscape Industry Certified from the National Association of Landscape Professionals are eligible to use this designation in conjunction with their proper name after successful completion of category requirements.

Usage Guidelines

For signage, electronic media, print media, public marketing use:

- Landscape Industry Certified
- Landscape Industry Certified Manager
- Landscape Industry Certified Technician
- Landscape Industry Certified Manager & Technician

For signature only, use:

- John Smith, Landscape Industry Certified
- John Smith, Landscape Industry Certified Manager
- John Smith, Landscape Industry Certified Technician
- John Smith, Landscape Industry Certified Manager & Technician

Active Certified

Active certified individuals are encouraged to use the Landscape Industry Certified logos in promoting their credential(s). The logos are in the [certification toolkit](#) with a guide for their usage. The toolkit link is given to newly certified and recertified individuals in their congratulations and recertification packages.

Recertification

To keep your certification active requires reporting twenty-four (24) hours of continuing education every two (2) years. Use your wallet card as a reminder of when to recertify. For details on recertification, visit the [Recertification Center](#).

Compliance

Any certified individuals who does not renew their credentials (1 year or greater) is considered lapsed and should cease from using the brand designation and logos until back in active status.

NOTE: If you become aware of someone misrepresenting themselves as Landscape Industry Certified, please contact NALP at 800.395.2522
