

# David J. Frank Landscape Contracting Career Builder Scholarship

---

## David J. Frank Landscape Contracting, Inc.

David J. Frank Landscape Contracting is an award-winning company providing complete landscape design, construction, renovation and maintenance services as well as expertise in sustainable and environmental solutions, storm water management, irrigation systems, interiorscaping, lawn and turf care, tree services, holiday decorating and snow and ice management. Founded in 1959, we are the most established, highly credentialed, creative and cost effective green industry company serving all of southeastern Wisconsin.

*“David J. Frank Landscape Contracting, Inc. celebrating over 50 years in business. We proudly enjoy a staff of nearly 300 colleagues! We would not exist without our skilled and talented team. AEF’s Scholarship Program is crucial to the future of the green industry and to each of its member firms. I have found that our ‘investment’ in this program has been recouped many times over!!! I have not a single doubt or regret about being part of this initiative and I STRONGLY URGE all member firms to participate!”*

David J. Frank, President/CEO
