

Eastern Land Management and The Moore Family Scholarship

Since 1976, Eastern Land Management has serviced commercial properties throughout southern Connecticut and the New York metropolitan area by providing award-winning, comprehensive property care. As a single-source provider, ELM is a key resource to facility managers, functioning as their eyes and ears on the ground for their landscape management, snow removal and water management needs. With a philanthropic-minded culture, ELM gives back to the communities that they work within, and focuses on sustainability by proudly employing innovative technologies and green practices that improve efficiency and minimize waste.

Bruce Moore, Sr. is a Charter Certified Landscape Professional (CCLP) and Founder and President of Eastern Land Management (ELM) in Stamford, CT. Moore is an active member of the National Association of Landscape Professionals (NALP), and has served NALP as the Chair of the Landscape Management Advisory Committee, and as a member of the Board of Directors. In addition to several other active professional trade association memberships, he serves as a cooperator of First County Bank. Additionally, Moore is a CT licensed irrigation contractor and supervisory pesticide applicator.
