

The Glowacki Family Scholarship

Mike Glowacki is the third generation of Glowackis on Nantucket to be involved in local business and civic service.

A 1976 graduate of SUNY Cobleskill NY, Mike managed the family business. Albert Glowacki Landscape, Inc. began in 1951 and later became G&M Landscape Services in partnership with Michael Misurelli and with Jivko Kalpazanov (now J&M Landscape Services).

While expanding that business, Mike became involved in nonprofit programs and in local government -- he chaired the Nantucket Conservation Commission for many years and was named commissioner of the year by the Massachusetts Association of Conservation Commissions in 2004. Subsequently he chaired the Nantucket Board of Selectmen as they updated the town's fiscal and budgeting processes.

Unforeseeable events brought the responsibility for two additional family businesses, Nantucket Marine and Outdoor Power Equipment, Inc., culminating in the transfer of both to the long time managers.

Those years, managing a small portfolio of island properties, brought a shift in focus to the dynamics of the Nantucket real estate markets. Now, with that portfolio winding down, comes Bass Point Realty -- continuing a tradition of trust that is rooted in dedicated representation.
