

Scott Stewart Allen, age 32, passed away on April 12, 2016. Scott lived in Orem, Utah for the majority of his childhood and youth. He served an LDS proselyting mission in Salvador, Brazil. Scott graduated from Brigham Young University with a B. S. in Environmental Science, and then from Vermont Law School with a Juris Doctorate. He then moved back to Utah to join his brother's Salt Lake City law firm as an attorney. Scott's legal expertise was in national marketing compliance and litigation.

Scott's passion was traveling and exploring abroad. He traveled with his high school environmental science class to Costa Rica, completed a BYU Study Abroad semester in New Zealand and then visited in Australia. He studied law one summer in Cairo, Egypt; and interned another summer at a law clinic in Johannesburg, South Africa. Scott traveled with his father Phil on an adventure to Nicaragua, and several times to Mexico. He also was able to tour in Paris (mid-route to other places). Scott had wished to be able to go to Antarctica someday, in his effort to visit all seven continents.

Given in loving memory by family, friends and industry associates
