Welcome to the National Association of Landscape Professionals!
While our name has changed, our core promise to help our members achieve business success remains stronger than ever. We are the leadership voice of the landscape industry on a national scale, and we work diligently to promote the value of your services to the general public.
AS WE WORK TOGETHER WITH OUR MEMBERS TO DRIVE THE FUTURE OF OUR INDUSTRY, THE NATIONAL ASSOCIATION OF LANDSCAPE PROFESSIONALS IS BUILT UPON THREE KEY AREAS OF EMPHASIS:

**INVALUABLE KNOWLEDGE PLATFORM**
Whether joining the industry, expanding your skills, or growing your business, you'll have access to programs designed to help you achieve your goals and ambitions.

**Green Industry Conference:**
Learn, grow, and network at the premier conference for the landscape industry.

**Specialized Education:**
Events like the Lawn Care Summit, DBI Symposium, and Interior Plantscape Symposium, bring together the brightest minds in the industry.

**Trailblazers:**
An unparalleled peer mentoring program that matches you with an industry veteran who will help you achieve your business goals.

**RELENTLESS ADVOCACY**
As your relentless advocate, we will do everything in our power to fight for your most pressing issues. From pesticide and water use to H-2B regulations, your ability to build your business will always be a central focus for our association.

**Legislative Day on the Hill:**
This is your chance to participate and to be heard by influential policymakers on Capitol Hill.

**Legislative Action Center:**
We provide the tools to contact your legislators and help influence their decisions, all with the click of a button.

**Lobbying:**
We work on key issues in partnership with legislators and regulators through an ongoing, targeted set of actions and strategies that support all the specialized service areas in our industry.

**THE HIGHEST STANDARD**
Our role is to define—and maintain—the highest standards of professionalism in the landscape industry. We diligently promote the economic, social, and environmental benefits our members provide, increasing the public’s recognition of the value you deliver.

**Landscape Industry Certified:**
The leading certification program in the industry. Get trained, get certified—get more business.

**Student Career Days:**
Helping to advance the next generation of professionals in the landscape industry through skill development and career networking.

**Awards of Excellence:**
A prestigious awards program that gives you a way to demonstrate your skills and expertise to your clients, other members, and the general public.
